## Why should I get on board the Incolink Bus?

Getting to the doctor can be a hassle. We've made it easy to get an Incolink Health Check by a qualified GP on your job site.

**It's free - and it could save your life.**

## What happens on the bus?

- ✓ Experienced GPs do a 20-minute health check, delivering expert care in a private and confidential setting.
- ✓ Assessment of blood pressure, cholesterol, waist measurement and diabetes risk. If recommended by the GP, you'll also receive a prostate blood test.
- ✓ Immediate feedback and practical advice about your health and wellbeing.
- ✓ Learn about your risk of chronic disease.

Participation is voluntary and your privacy is protected.

## Don't miss the bus to a healthier you
